ORGANISERS OF THE RAMATHON BROADEN THEIR RACE PORTFOLIO TO TAKE ON CARSINGTON 7+

We are delighted to announce that the hugely popular Carsington 7+ race held annually in May will become one of Ramathon's key sister events from 2017 onwards.

The new acquisition will be the 4th event added to the team's race portfolio which currently includes the Ramathon – Derby Half Marathon in June, the Wilne 10k in September and the Derby 10 Mile in November.

Working alongside the current Carsington 7+ event manager, the Ramathon team will be building on the existing success of the event to develop its reach over the next few years.

Entries for the race are now open and it will continue to support Derby RSPCA as its official charity.

Held on Sunday 14th May 2017, and with 3 weeks to go until Ramathon race day, it's the perfect warm up race to the full half marathon on Sunday 4th June.

Richard Kay, Ramathon's Race Director, said: "We are absolutely delighted to be taking on the management of such a popular and well-managed event as the Carsington 7+. Planning has already begun for this year's event and we look forward to working alongside the existing event manager to continue its legacy.

Victoria Leeming, Carsington 7+'s Event Manager, said: "We are so excited to be working with the Ramathon team to deliver the Carsington 7+ - we want the event to grow and continue its success and have no doubt in the team's ability to make this happen.
